ABOUT US...

Bradford Dragons were formed in 2001 and entered EB Division 3 (North) in 2005. Since then they have experienced a level of success that most clubs would be envious of which has culminated this season in the winning of the EB Division 2 Championship

This has meant that the club will make history next year as they will step out in EB Division 1 for the first time in the club's history. This puts the club on par with fellow professional sports clubs in Bradford such as Bradford City (Football) and Bradford Bulls (Rugby League).

In total the club operates 13 teams including 5 senior teams and 8 junior teams ranging from National League under 18's to under 12's. In total the club has over 200 players playing every week during the season. On top of this the club operates an extensive schools coaching programme which reaches 1500 children in the West Yorkshire area .

Bradford Dragons would love for you to be a part of their success story. The following brochure outlines the opportunities available to you to become part of the sporting phenomenon that is the Bradford Dragons.

If you would like to discuss these opportunities further then please feel to contact Mark Mills on 07533 627231 or email mark@bradforddragons.co.uk
